Chichester Camera Club is pleased to announce their highly acclaimed and very popular

## Advanced Workers Annual Exhibition

Spanish Banquet – by Tracey McEachran

### **Saturday 23<sup>rd</sup> January 2010** **Advanced Workers Exhibition - North Mundham**

The Advanced members of Chichester Camera Club will be holding an exhibition of their work in the Village Hall, School Lane, North Mundham, Chichester, West Sussex, PO20 1LA on Saturday, 23<sup>rd</sup> January 2010 from 10am-5pm. Entry is only £1 and refreshments will be available. Members will be there to chat about their images, the Club and what it does.

This is an exhibition where our members have a panel which they can fill in any way they want. There is no judging, no selection, no winners, no cups - just interesting ideas and different approaches to photography. Everyone is welcome so do please come and have a look.

### **Background**

- Chichester Camera Club is one of the largest and most active Clubs in the south of England, with over 150 members, aged from 20 to over 90.
- The exhibition on the 23<sup>rd</sup> January shows work by the most advanced members of the Club and the photographs exhibited will cover a wide variety of styles and subjects.
- The Club covers all genres of this fascinating hobby and members work on a variety of media. As well as the main Club activities, there are also several sub-groups to promote specialised interests such as portraiture, digital processing, printing, audio-visual and to encourage members to gain distinctions from The Royal Photographic Society. These sub-groups are open to non-members, who are very welcome to attend.

### **Web Site**

The Club has an excellent web site which showcases some of the excellent photos taken by members, as well as providing information about the forthcoming programme. Visit us at:
