

Projected Image Submission Checklist

There are two columns of tick boxes, one for each image.

- Set image size to a maximum of 1400x1050 pixels.
- Set the canvas size to 1400x1050 with a black background colour.
- If the image is not in the sRGB colour space convert it to sRGB.
- If the image does not have a colour depth of 8-bits convert it to 8-bit colour depth.
- Set the title and author in the file meta data.
- Save the file as a high quality jpeg named as Code number-Competition number-Image number, e.g., 97-2-1.jpg
- Copy the file to your pen drive and hand it in at the next meeting.
